

TAURANGA NETBALL

Tēnā koutou katoa. First and foremost – CONGRATULATIONS on being selected to represent Tauranga Netball in 2022.

You have an exciting and fulfilling experience waiting for you and with this comes responsibility and commitment as well.

Please take the time to read the Tauranga Netball Centre Representative team Polices and Procedures document (on our Website www.tauranganetball.co.nz/Representatives) and also the TNC Player Code of Conduct (in this pack).

In this pack is also a Player Consent form. Yourself, and a parent/guardian are required to sign this and list all and any allergies and/or medications that you may require. Please sign and return the Player Code of Conduct and Player Consent forms to Tania (details at the bottom of this sheet).

In this newsletter are Important Dates for 2022 and a breakdown of costs for the 2022 season. Please ensure they are read carefully.

Your Team Manager will be your first port of call for any issues arising during the representative season but please feel free to contact me below if you need clarification or help with anything else.

Have a great season!

We would like to thank Pub Charity for their generous support again, this season. Because of the funding received by them we have been able to fund accommodation and food for all of our U14 and U16 teams as well as flights and accommodation for our U18 team

FUNDRAISING OPPORTUNITIES

We will be offering each team two fundraising opportunities during the season. These will be sausage sizzles held during our Friday night and Saturday competitions so could prove very lucrative.

Only players or their family members who participate will be eligible to receive part of the money made at these events. The money made will be divided amongst those that are involved and will be refunded to you from the Centre, as your fees will have already been paid. We would appreciate encouraging your children to get in and muck in themselves so they can feel some sort of accomplishment in having contributed towards their own fees. It is also an excellent team building exercise!

Dates will be advised.
