Your Tauranga Netball Centre Board

(L-R) Rick Powdrell, Nicola Compton (Board Chair), Pam Clayton, John Koning, Lynne Clay

(Absent) Mikaere Sydney

Life Members Dal Knuckey, Hiraina Ross, Sharon Pratt, Celia Fleming, Betty Baillie, Jocelyn Pemberton, Mayleen Tuakaokao, Helen Dodge, Dorcas Kayes, Maree Body, Sharyn Golding, Christine Healey, Rose Powdrell

Service Members Billy Irwin, Nancy White, Jackie Patuawa, Lesley Stevenson, Edwina Hata, Sharyn Golding, Faye Menzies, Pauline Herd, Jackie Smith, Joan Miller, Kay Thomson, Joan Bathe-Taylor, Helen Dodge, Maree Body, Celina Teao, Anne-Marie Wilson, Christine Healey, Annette Friel, Nicola Compton, Lynne Clay, Tanya Rohloff, Raua Reihana

Board Chairperson Report 2024

It is with pleasure that I present the Board Chairperson report for 2024.

Thanks to our staff members, Tracy, Tania, Paula and Maree for all your hard work and commitment to Tauranga Netball Centre. Your capacity to add more competitions, initiatives and programmes amazes me. You all continue to go above and beyond your paid hours and your loyalty does not go unnoticed.

To our Board members, thank you. You all continue to work behind the scenes and bring your commitment and expertise to our Centre. I know that you are all invested in the success of Tauranga Netball Centre. A special mention to Mikaere Sydney, you are continually in our thoughts, and we pray for a speedy recovery and look forward to seeing you back around the Centre.

Volunteers – they are the beating heart of our Centre. We would not be the Centre that we are today without each and every one of you. So, thank you, thank you!

Tauranga Netball Centre has had many successes this year in representative netball, not only for Netball NZ, but also NZ Mens and Mixed. We have also had some amazing achievements by our Umpires. Please read those sections in the Annual Report to see just how well we have done in 2024.

These outstanding results are once again due to all the excellent pathways Tauranga Netball Centre offers for players, coaches, managers and umpires. We are extremely proud of our achievements and congratulate all those that contribute to these successes!

Another success this year has been the continued growth of netball for our younger members. Who thought "toddler" netball was a thing? Well, it is. Also, the number of 5 to 12 year olds choosing netball is continuing to grow to the point we had something like eight rounds of netball on a Saturday morning. The numbers staying with netball in College has also grown. We had to add a fourth round on a Friday night to fit everyone in. This Centre is in a good place looking toward the future.

As a Board we continue to work with Tauranga City Council around the move to Baypark. We believe that this will be of great benefit to our netball community, and we thank you for supporting this by voting YES at the Special General Meeting held earlier this year. There is much work to be done and hopefully all will go to plan.

Finally, a BIG thank you to all our members for your support this year. I look forward to seeing you again in 2025.

"Promoting Positive Pathways"

Nicola Compton
Board Chairperson

Centre Manager's Report 2024

Tēnei te mihi ki a koutou katoa, who have played a part in the 2024 season.

A big thank you to our members including volunteers, sport and club coordinators, players, coaches, umpires, managers, parents, grandparents, and whanau support who all give their time to contributing to the netball in Tauranga Moana.

Tauranga Netball Centre and its members are sincerely thankful to the funding organisations that have supported us in 2024 and have provided opportunities for so many of our rangatahi this season and ensuring the operations at Tauranga Netball Centre continuously improve. Ngā mihi nui, NZCT, Pub Charity, Grassroots, One Foundation, TECT, Lion Foundation, Kiwi gaming funding and NNZ.

NZCT – Salaries

Pub Charity – 2024 Representative Campaign

Grassroots – Salaries, 2023 Representative Campaign

One Foundation – 2024 Representative Campaign, Mens Nationals

TECT – Grassroots programmes, TV Screens

Lion Foundation – Salaries

Netball NZ – Netball Smart and Coaching

KGF – Port a loo, Water fountain, Website

Special mention to Pub Charity who continue to support our representative programme which has seen 2 x Under 14's, 2 x Under 16's, 1 x Under 18s Men's, 1 x Under 18's Women and 1 x Opens team in 2024 have the opportunity to represent our region and have costs greatly minimized covering accommodation and travel.

Thank you to our sponsors during 2024 for their insights and contributions to the centre.

Total Business Accounting, Outlook Farm Ltd, Netball NZ, New World Mt Maunganui, Moana Radio, Port of Tauranga, Silver Fern, Go Healthy, Bay Karts, MTF Tauranga, Powerhouse signs, Mt Engineering, Shoe Science Tauriko – thank you.

Thank you to our Tauranga Netball Centre board who continue to volunteer their time throughout the year. This team includes such motivated people with a wealth of knowledge and experience. The challenges have been real this year, and the extra work these individuals have had to contribute is commendable. I appreciate the support, guidance, and insights they provide to myself and the staff. Thank you to Nicola Compton, Rick Powdrell, Lynne Clay, Pam Clayton, John Koning and Mikaere Sydney.

One of our board members, Mikaere Sydney, fell very ill during 2024. His presence was sadly missed during the 2024 season, and we are grateful for signs of recovery. We look forward to his return.

Thank you to our Umpire Coaches who volunteer a large % of their time ensuring our umpires from Year 7 right up until Senior Prem get continual support and development. I worry how the centre would cope without you all and appreciate you all for contributing so much of your own personal time to your second home where we all spend so much time together during the season. It's great to see some new volunteers coming on board this year as Umpire coaches and hope that your presence is ongoing. The improvements and successes that have been recognised, especially in our umpire area are so commendable and through planning and commitment, you have created a development pathway that the Tauranga region can really be proud of. Thank you to our Umpire lead Maree Body and her team Christine Healey, Rose Powdrell, Nicola Compton, Pam Clayton, Lynne Clay, Annette Friel, Louise Turner Ashleigh Hartigan, Joanie Coles, Keni Kingi, Connor Pascoe, Lisa Cooper, Chris Matheson, Lottie James, Siobahn McFadyen, Milly Clements, Victoria Geck and Loraine Brand.

Thank you to our No exceptions coaches Louise Turner and Annette Friel who volunteer to take this programme, providing a safe and enjoyable space for these participants.

Thank you to our Thursday night Premier netball benchies Emma Smith, Jackie Smith, Carolyn Haddock, Beryl Harvey, Joan Bathe-Taylor, Hikitia Gallagher, Alastair Harris and Susan Moke who consistently make themselves available to ensure we facilitate an official score bench, your time is much appreciated.

The 2024 Tauranga Representative programme was a real success this year with the implementation of our registrations with NZ Mixed and Mens where we entered for the first time an Opens Mixed team, Opens Mens team and U20 Mens team into their respective national tournaments. Placings for this year included Open Mixed 5th in C grade, Opens Men 3rd in Reserve 2, U20 Mens 3rd in U20s grade, Opens Women's 6th at the open's nationals, U18 Women's placed 18th, U10 Men placed 3rd, 16A placed 10th in A grade, 16B 11th in B grade, 14A placing 6th in A grade, 14B placed 5th in B grade. A big thank you to our representative director Deborah Fuller who is a fantastic mentor to both our coaches and players. Thank you to our representative coaches who commit to ongoing development on their coaching pathway and give so much of their time and to the managers who take on the important role of keeping parents, players and the centre informed as we navigate through a short but robust representative season.

Aims saw a record amount of team entries with 140 registrations in 2024. Our teams did an amazing job over what is really a full-on week. Thank you to all our organisers and umpires who make this week a real success time and time again. Learning happens every year which keeps us continually reviewing, adapting, and improving.

Thank you to my support team at the centre Tania, Paula and Maree. It is difficult for organisations to have employees who are so invested and put every effort into providing a great experience for everyone. I love the collaborative relationship we have formed and am always excited with the thinking that eventuate into actual

good ideas! I am sure the girls will agree we have all formed some great connections with many in the community and we are very lucky to have that opportunity.

A big focus for us in 2025 as a community will be to minimise negative side line behaviour. Although only created by the minority it speaks volumes and is a hinderance to the culture we want to exhibit. Tauranga Netball will be reviewing our regulations and complaint procedures prior to the new season with substantial changes to consequences issued. I ask that our community reflect and think about why they are at netball watching their Tamariki and rangatahi and from there reflect on any behaviours that may impact a young persons experience. I am confident we are all supportive of a safe and happy environment for our young people and will support this Kaupapa.

Wishing each of you a safe and amazing summer filled with fun and laughter. Looking forward to seeing you all back in 2025 to play and participate in the game we love.

Hei konā mai

Ngā mihi nui

Pathways™

Umpire Lead Report 2024

2024 has come to a close, marking the end of another fantastic season and my first year employed as Umpire Lead. It felt surreal to transition from volunteering to this full-time role. I entered the season with grand ideas of transforming everything in a single year, but soon realised how much work truly goes into organising and allocating umpires for all of our competitions and tournaments, running workshops and rep programmes for umpires, finding replacement Umpires, trying to contact Umpires and addressing the myriad of queries I received via email, phone, and in person.

As the season wrapped up, I initially thought I had not accomplished much; some of my ambitious plans didn't go ahead as hoped. However, while putting together a "thank you and celebration" video for our umpires—an effort that took longer than expected due to the many successes we had—I recognised that I had indeed made progress. The changes may have been small, but they were meaningful, and I achieved several of my goals.

At the start of the season, we implemented a new edition of the Netball Rules and held multiple workshops covering 12 key rule changes, though we hoped for more participation from our Centre's members. These workshops sparked valuable discussions, clarifying the rules for the 2024 competitions. This year was a key learning experience, encouraging everyone to adopt the new rules while promoting sportsmanship, player responsibility, and safety. It's been an interesting season trying to get players to realise they must focus on "contesting" the ball cleanly, if they can't intercept or deflect the ball without contact, they should pull out to avoid more serious game management consequences, which unfortunately happened a lot at the start of our competitions.

Our netball season started early this year, with the Senior competition kicking off in March on Wednesdays. This allowed us to enjoy the warmer weather and finish the competition sooner, so players could support their tamariki in the College and Futureferns netball competitions later in the season.

We focused on developing umpires within our clubs and teams to ensure the sustainability of the Senior competition. Relying solely on secondary school-aged umpires is not viable, as they often move on to universities, and our older umpires are beginning to transition out. It was great to see many new umpires on the courts, but it's important for teams and players to understand that developing officiating skills takes time - Disputing calls or expressing frustration at Umpires is not acceptable.

A big thank you to all umpires who contributed to the competition. We appreciate our clubs for supporting the new regulation to supply more umpires for the competition to create a bigger pool of Umpire to allocate to their games. Thank you for your understanding and patience as we communicated this concept to your members. This extra support proved invaluable, especially during weeks when up to 15 umpires were unavailable due to injuries or other commitments. Despite the challenges, we managed to cover all games each week.

This year, we were pleased to have a few more qualified Zone and NZ Umpires for our Open Premier Competition. Each umpire officiating on Thursday nights is on the "Umpires Pathway", working hard to improve their skills and manage our elite competition. Thanks to our Umpire Coaches, who consistently provide guidance, we are seeing ongoing improvements in our Umpires' performances; our Umpire Coaches have helped Umpires set goals and identify areas for development, leading to better officiating. Thank you to all the umpires for their commitment to umpiring our Open Premier competition, who come not only from Tauranga and its surrounds, but also from other Centres in our Zone, your support of this competition is very much appreciated.

This season, our College competition games required the addition of another round to fit them all in. With fewer Premier Competition grades, I was able to allocate umpires to Premier 1 and 2 matches, as well as to the Premier 3 and 4 grades. Thanks to our new coaching board upstairs, Umpire Coaches could easily identify umpires needing support on Friday nights. This resulted in several umpires achieving their NZ Centre Award during the competition. We now have a strong group of qualified umpires from the Colleges, along with several "Learning to Umpire" participants, which allowed me to confidently allocate capable umpires to Semi and Final games this season. While this caused some initial confusion to start with, our teams appreciated having neutral Umpires on these important games.

Saturdays are devoted to our Intermediate, Years 5 and 6, and Years 1 to 4 games as part of the FutureFern competitions. It's a long day, with the last round finishing just before 4pm. For those of us who rise early to set up the courts and get the kitchen going for the food and the coffee brewing, the day may start early, but it's incredibly rewarding to see our young netballers enjoying themselves and learning the game we love.

This season, I launched a program for umpires from the FFW Learn to Umpire Workshops to focus exclusively on officiating Year 5 games. This allowed them to learn the rules alongside the Year 5 players improving their netball skills. Before each match, we ran short skill sessions to refresh the Umpires understanding of the rules. It was inspiring to see their growth, especially a mother-daughter duo learning together. By season's end, they became confident whistle-blowers and made solid calls.

Congratulations to our newbie Umpires who officiated in the Year 5 and 6 competitions, you all improved significantly and achieved the basic skill sets required to umpire your level of the games and were awarded your FFW and LTU Certificates. I hope to see you all continue to enjoy umpiring at our Centre.

Christine Healey, our Centre Umpire Coach Lead, wants to extend our gratitude to the Centre Umpire Coaching Panel for their dedicated efforts each Saturday. She has a committed group of ladies who show up weekly to support and develop our umpires working towards their NZ Centre Award. They also support the Year 6 competition umpires as well as our Year 5 beginner umpires who are honing the skills necessary for their "LTU" and "FFW" Umpire Certificates.

Christine, our Centre Coach Lead, also expresses a desire to see more adults step up to learn how to umpire. We encourage the adults on the sidelines supporting their children to consider picking up a whistle and joining in on the officiating journey. It is a wonderful opportunity to engage with your child's experience as they play.

Christine says *"If you are a player, coach, or spectator at our Centre and want to learn a new skill, picking up a whistle is not as daunting as it may seem. We offer fantastic workshops to help you understand the rules of netball, and our skilled Umpire Coaches are here to support you in developing your ability to officiate games effectively"*.

Congratulations to all our umpires progressing along the NNZ pathway who have successfully achieved their NZ Centre Award, NZ Zone Award, and NZ C and B Awards on our Premier, Senior, College and Intermediate competitions! Your hard work and dedication have truly shone through this season, with achievements in both your practical assessments and theory exams. Our Umpire Coaches have thoroughly enjoyed supporting your development, from the foundation skills at Centre level to the more complex rule applications required at the NZ level. Witnessing the growth and determination of each of you has been inspiring. Keep up the fantastic work!

This report highlights the remarkable achievements of our umpires this season. While we have too many qualified umpires to mention individually, a full list of their accomplishments can be found at the end of this report, I do need to mention a few.

We proudly gained another 2 NZ C Qualified Umpires from our Umpires Group, congratulations Siobhan McFadyen and Renee Smit. Both young umpires have worked diligently with the NZ Umpire Coaching Panel, demonstrating impressive skills in our Open Premier Competition games.

At the North Island Junior Netball Championship in Taranaki, we celebrated Victoria Geck's appointment to the Under 16B grade final. Congratulations, Victoria, on this well-deserved recognition!

Additionally, four of our umpires—Joanie Coles, Renee Smit, Poppy Plank, and Siobhan McFadyen—were selected to referee the finals at the WaiBOP Zone Secondary School Tournament in Hamilton. Well done to all of you for representing our Centre with your skills!

At UNISS, Umpires from our Centre featured in each grade's finals and playoffs – Joanie Coles, Reserve for the A Grade Final, and also umpired the A Grade 3 v 4 playoff. Renee Smit umpired the B Grade Final and Siobhan McFadyen umpired the C Grade Final. Congratulations to you all for being recognised for your skills by the Umpire Coaches at this tournament, we were very proud to see you achieve the games you were selected to umpire!

Connor Pascoe received selection by NNZ to umpire at the NetballSmart Netball NZ Open Championships in Auckland. He showcased his considerable talent by officiating in the Semi-Finals and was appointed to the playoff for 3rd and 4th place. We are incredibly proud of Connor for representing us so well throughout the tournament.

At the Men's National Tournament held in Tauranga in September, our umpires made a significant impact, being selected to officiate in the final games for each grade. Connor and Keni umpired the A grade final, Joanie Coles umpired the B grade final, Renee Smit umpired the Under 20 grade, and Siobhan McFadyen umpired the Reserve grade final. Congratulations to each of you for earning this recognition!

Keni King had an outstanding season, earning double honours in his umpiring selections. At the NZ Under 18 Championships in Dunedin, he was appointed to officiate the Under 18 Women's final—this marked a first for both him and our Tauranga Netball Centre. Keni then went on to officiate at the NZ Secondary Schools Tournament, where he again demonstrated his talent by being appointed to the final. To top off his exceptional year, Keni was awarded his NZ B Umpire qualification at the NZ Secondary School Tournament, a well-earned recognition of his hard work and growth over the past few years. Congratulations, Keni!

Rose Powdrell our NZ Umpire Coach Lead was very proud of these Umpires and their achievements, commenting " *that this group of Umpires have had an outstanding season. They have been rewarded with appointments at tournaments which acknowledges the time and effort they have given to the sport of umpiring and the immense growth they have made within their sport through the season*".

Rose also observed that "our season has had some amazing highs by our umpires. As the Umpires Coaches we celebrate these achievements with them and remember that we all have a part to play in their road to success and there will be many more coaches who contribute to the future successes also". We must recognise Rose's significant contributions to the success and growth of our NZ umpires as well! Her dedication, friendship, mentorship, and extensive knowledge of the game have undoubtedly helped our NZ umpires achieve the successes they have achieved this season.

Rose would also like to recognise our Umpires who attended the Zespri AIMS Games, "It is fantastic to have so many of the local umpires support this awesome event. The support that we receive from the local Colleges to allow students to have a week of school for this event is greatly appreciated. It is an opportunity for developing umpires to have a taste of their first major tournament. The opportunity to be coached by different but experienced umpire coaches from other areas, the growth which umpires make through the week is amazing".

The Umpires from our Centre who were appointed to the Zespri AIMS finals were - Siobhan McFadyen, A Grade Final, Poppy Plank A Grade reserve Umpire. Siena Ivamy, C Grade Final, Lily Cameron C Grade reserve Umpire, and Kayla Van Wijk and Milla Scholes D Grade Final, Olivia McMillin D Grade reserve Umpire. Congratulations to you all.

Congratulations to our umpires who received our TNC Umpire trophies this season! Connor Pascoe and Keni Kingi shared the Supreme Umpire of the Year award, Siobhan McFadyen received the TNC Promising Umpire of the Year, and Lisa Cooper was recognised as the TNC Emerging Umpire of the Year. Each of you has demonstrated tremendous growth in your umpiring skills. Well done on an outstanding year of officiating!

What a fantastic year it has been for our umpires! We have seen a record number of new qualifications achieved and many of our talented officials recognised for their hard work. A heartfelt thank you goes out to all the umpires at our Centre—you are the backbone of our competitions, your skills and dedication are essential to the smooth operation of our many games, and we simply could not operate without you!

The successes our Umpires achieved is thanks to the dedication of our Umpire Coach Leads and the Umpire Coaching panel members, who invest considerable time and energy, and give invaluable guidance to our Umpires. Their knowledge and experience have been instrumental in helping our Umpires reach their desired qualifications throughout the season and have been invaluable in developing our officials across all pathways. I would like to extend my gratitude to our Umpire Coaches.

Special thanks to Rose Powdrell (NZ Umpire Coach Panel Lead), Lynne Clay (Zone Umpire Coach Panel Lead), and Christine Healey (Centre Umpire Coach Panel Lead) for your incredible leadership and commitment to the growth of our umpires. Your efforts have made a significant impact on our Umpire Group.

Our Umpire Coach panel leaders couldn't function without the support our dedicated Umpire Coaches from the various panels. Once again, a huge thank you to each and every one of you for the invaluable time and the effort you invest in nurturing our umpires!

Thank you to our generous sponsors of the TNC Umpire Group, Outlook Farm Ltd for sponsoring the NZ Umpire Pink Shirts, and to Total Business Accounting for providing the green shirts that our umpires proudly wear during their Open Premier games. Your support for the TNC Umpires Group is greatly appreciated.

I also want to express my gratitude to the TNC Board for their unwavering support of our Umpires Group. A special mention goes to the amazing staff at the Tauranga Netball Centre—my now-workmates—Tracy, Tania, and Paula. It has been a pleasure collaborating more closely with you this year.

As we wrap up this season, I wish you all a wonderful Christmas and a safe, happy New Year. Umpires, enjoy a well-deserved break in the off-season, and I hope you will begin your pre-season fitness programs early next year. Looking forward to seeing everyone fit and ready for 2025!

2024 TNC Award Winners

Congratulations to our following award winners for 2024. Your hard work, determination, presence and support during the season is greatly appreciated.

Most Promising Umpire Winner – Siobhan McFadyen, presented by Pam Clayton

Emerging Umpire Winner – Lisa Cooper

Joint Supreme Umpire Winners – Connor Pascoe and Keni Kingi, presented Pam Clayton

Service and Diligence Award Winner – Rick Powdrell, presented by Lynne Clay

Futureferns 2024

Woolworths Futureferns Co-ordinator – Paula Vickers

Woolworths futureferns Year 1 – 5 teams completed their 10 week program, but unfortunately the end of season free tournament was cancelled twice due to unfavourable weather.

Year 6, 7 & 8 Teams completed the competition as designed, with semi and finals held on the same day to finish on the 31st Aug.

Year 1 & 2 futureFERNs Netball

2020 – 28 teams, 2021 – 36 teams, 2022 – 34 teams, 2023 – 42 teams, **2024 – 52 teams**

Year 3 & 4 futureFERNs Netball

2020 – 50 teams, 2021 – 50 teams, 2022 – 63 teams, 2023 – 74 teams, **2024 – 66 teams**

Year 5 futureFERNs Netball

2020 – 66 teams, 2021 – 71 teams, 2022 – 72 teams, 2023 – 34 teams, **2024 – 40 teams,**

Year 6 futureFERNs Netball

2023 – 45 teams, **2024 - 42 teams**

It is fantastic to see continued growth with a large uptake through all teams in 2023 season.

Year 7-8 futureFERNs Netball

2020 – 71 teams, 2021 – 71 teams, 2022 – 73 teams, 2023 – 74 teams, **2024 - 89 teams,**

From these teams, there were 92 coaches attend Foundation Coaching workshops. The focus of the Foundation Coaching workshops is the format of Saturdays, holistic coaching, an understanding of NetballSmart & troubleshooting coaching issues.

79 teams from Years 6 – 8 played over 2 tournaments supporting fun and skill growth throughout the season, as well as 53 teams taking part in a mid week school tournament. We also had 37 Year 3-5 teams play in a mid week school tournament.

Player Development Programs (PDP) also grew in participant numbers.

338 total individual registrations over 6 full days.

Year 5 – 74 participants

Year 6 – 86 participants

Year 7 – 47 participants

Year 8 – 55 participants

Year 9/10 - 76 participants

We also hosted 66 players for a futureFerns Festival day, supported by WBOP Zone Netball. Originally we had over 100 Year 1-5 players registered, but the weather forced a change of date, and unfortunately a reduction in participants on the day. It was a fun day with face painter and 17 junior student coaches taking the lead with the young players, 12 of which were new to netball!

A huge thank you to all the coaches, players, volunteers, supporters, and school coordinators who volunteer their time to ensure this programme is successful. We look forward to continued growth and seeing you all courtside in 2025.

Promoting Positive Pathways

No Exceptions 2024

Once again it has been a total pleasure and privilege coaching this amazing team and being involved with the No Exceptions Programme 2024.

This year our No Exceptions programme had 12 registered players. Numbers were down from the previous year but only slightly, most of these players have participated for many years and some of them have been in the programme since it was introduced by Helen Doge in 2007.

This year our 2024 season ran for 10 weeks with no cancellation days at all, the weather was on our side. Our programme consists of a warm up, stretches, ball skills and games with lots of fun and laughter during the session.

This year we introduced summer league to our No Exceptions with a 4 week programme held on Wednesday afternoon, we have had great support & numbers for this so hopefully we can offer it again next year.

I would like to say thank you to all our wonderful helpers that attend every week without fail also to the parents and caregivers for getting the players to netball every Saturday & Wednesday

No Exceptions Netball promotes the inclusiveness and involvement of all into the game of netball where we can provide a safe and enjoyable space for these participants.

Louise Turner
No Exceptions Lead

Helen Dodge Memorial Tournament

16th June 2024

Wow! What an amazing tournament the Annual Helen Dodge Memorial Tournament held on the 16th June 2024 proved to be. Our largest number of team registrations to date, with 55 teams entered from around the Bay of Plenty, Waikato and Auckland.

This tournament is an important event on the TNC calendar as it honours the memory of Helen Dodge. It is an event that pays tribute to the incredible time and effort that Helen put into our sport and centre.

55 teams across the U14, U16 and U18 age groups competed. Netball Centres represented at the tournament were Rotorua, Te Awamutu, Whakatane, Hamilton, Gisborne, Taupo, Eastern Waikato, Otorohanga, Matamata, Cambridge, Thames Valley, Taumaranui, Waitakere, Howick/Pakuranga and of course, Tauranga. The support from these netball centres is testament to the high regard Helen was held in.

Our U18 Men's division continues to grow stronger each year with 5 teams entered representing Hamilton, Howick/Pakuranga, Waitakere and Tauranga. This was a great lead up to Nationals held in Dunedin in July for which Waitakere were the eventual winners. We hope to see this grade growing from strength to strength.

Results:

Under 14

Winner – Waitakere U14/1

Runner Up – Waitakere U14/2

“The Pathways”

Under 16

Winner – Hamilton U16A

Runner Up – Waitakere U16/1

Under 18

Winner – Howick Pakuranga

Runner Up – Waitakere U18/1

Under 18 Mens

Winner – Waitakere U18/1

Runner Up – Howick Pakuranga

Thank you to all teams that participated and congratulations to all of our winners, a special big thank you to all of our volunteers who helped on the day and a great big THANKS to all of our awesome spectators who came down and enjoyed some great netball. We look forward to hosting everyone again next year!

2024 Junior Club Competition

These new competitions were introduced in 2024 to entice our existing clubs to start with junior players to try and initiate more of a club culture in our area and to grow junior club netball. We hope to see these competitions only getting bigger and better in the future. Thank you to all of the clubs that embraced these new comps and we'll see you back in 2025!

2024 Summer League

We had 2 great Summer League terms in 2024 – the first one started in February and ran for 6 weeks and had 44 teams register for it. The second one started in October and ran for 6 weeks and had a record 70 teams register! We incorporated a fairly new comp – Walking Netball into these comps and we are hopeful that it will continue to attract more players in 2025. We also had our No Exceptions players come down and enjoy the sun while learning new skills and playing netball. Paula (Future Ferns Co-ordinator) also started up our new toddler netball skills sessions for under 5's keen to get a step ahead of the pack before starting school. We look forward to running Summer League again at the end of 2025.

Tournaments and Events in 2024

Tauranga Netball Centre were host to a number of tournaments and events throughout the year ranging from tournaments for our youngest Year 1-5 players, our Year 6, Intermediate and College players and let us not forget the all important week in September for Intermediate players – AIMS games. We also hosted 2 WBBOP tournaments on behalf of the principals association and a Future Ferns Participation Day kindly sponsored by the Waikato Bay of Plenty Zone. Keep an eye out for all events coming up in 2025!

2024 TNC Representative Season Wrap Up

Firstly, thank you board members for the dedication and support you continue to provide for this programme. Seeing young people realize their potential through netball is one thing, then seeing them being courageous and gaining selection and stretching themselves in a rep team is another level of growth in our community that this programme is very proud of delivering. Very few netball centres send A&B age group teams to National Tournaments. Our management at TNC need to be praised for their commitment, hard work and open mindset to growing the game, especially in the Men's space, as there are few centres who integrate and work like this.

TNC REPRESENTATIVE PROGRAMME VISION:

To strengthen netball in Tauranga through having representative netballers who finish in top 8 placings in National Competitions.

To come together as a netball community where committed people are constant in learning about the game and growing through coaching, umpiring and playing at a representative level.

With this in mind I feel our vision has been met as the numbers who trial for age group teams are consistent and our Mens and Opens teams are competitive and respectful competitors in the tournaments they attend. It is regrettable that I have not been able to spend more time with the coaches of the Men's teams, something I hope to do in 2025. However I did coach U14 and got the "on the floor" view of the competition at this age group and can see that our players are within reach of something special should our pathways continue to be supported.

 Insert: Micah Fuller FORREST Photography

Why are we here?	To challenge ourselves and be a challenge to teams we play.
	<p>The team finished 6th at Nationals only losing to Howick and Kapi Mana.</p> <p>The rankings of the U14A teams in A grade were:</p> <p>1st Waitakere</p> <p>2nd Howick</p> <p>3rd North Harbour</p> <p>4th Auckland</p> <p>5th Kapi Mana</p> <p>6th Tauranga</p> <p>To finish 6th against Netball Centres with much larger numbers of players is a great achievement. For the U14 age group we were the best team for Waikato BOP Zone. Kapi Mana is also a centre of similar numbers to Tauranga making the final an even match.</p>
How will we do this?	We will train with intensity, play strong netball basics, be gracious and constantly show good sportsmanship.
	Training was well attended however there is a difference between players who trained and did extra shooting etc and those who didn't.

Who do we need?	<p>People who encourage teammates regardless of results.</p> <p>People who communicate clearly both on and off court.</p> <p>People who work hard, who bring humor and lots of fun.</p>
	<p>The team were a great group of young leaders who will continue to develop their netball and leadership amongst their peers. The progression with each players skills, communication and netball IQ was obvious, making the decision to name the final starting 7 very difficult given the competitiveness in the playing group. We only had 2 minor injuries during the tournament suggesting the strength and conditioning done prior and recovery of the bodies was well carried out.</p>

Deb Fuller (Head Coach)

Under 14B Representative Team 2024

Poipoia te kākano, kia puāwai (Nurture the seed and it will grow)! Although I wasn't a part of the 14B representative team until later in the season, I was extremely grateful to be a part of all the players growth! The team culture we built at trainings was filled with healthy snacks, laughter and speed. I enjoyed the speed of play this team brought to the court and once we found our pace they were unstoppable. To get to this speed I challenged the teams knowledge of netball and we implemented the rolling subs rule. Implementing this into our game during pre-season was hard, emotional and came with a lot of learnings for me as a coach and the players on the court. But the 14B always remained strong and trusted the game plan which reflected in our results away at Taranaki Nationals.

Our training days were Tuesday nights where we would plan our sessions around the amazing fitness sessions provided by Athlete factory. We enjoyed these sessions as Ben would play fun games and give teams a chance to bond and go through the fitness together. Tuesday training also finished with games against the 14A which gave us coaches and players a chance to see our game plan or new skills in action.

During nationals we had a lot of personal growth as a team and coaches, playing 3 games for the first two days of the tournament, really pushed our players to dig deep and I'm sure they were grateful for our game plan of having rolling subs. Our game plan was trialed and tested but ultimately worked in our favour. Through luck of the draw we were able to play the same team every day of our three day tournament. Having lost to this team both days and growing from our mistakes, I believe by day three we had also adjusted to the Taranaki weather. The 14B were firing to verse them in our final for 5th and 6th place. To describe the emotions heading into our finals I would say the players were nervous, passionate and eager to play for each other. A key moment to our success and growth as a team was the players ability to be honest with each other in a mature way. Players were confident in themselves and their mana they brought to the team, so during our whole season everyone had a job on or off the court. I was super proud of my team and enjoyed my season watching them grow. A huge thank you to Paula for being our manager and emotional support. Also, Tracy, Maree and Tania for all the work you do behind the scenes to make the season possible.

Centrie Newdick (Head Coach)

Under 16A Representative Team 2024

Taiahaha, taiahaha!!! Te tima o 2024, e tu!!!

I am very proud to have been the coach for the Tauranga Under 16A team for 2024. It has been a privilege to be a part of the girls' journey of excellence in Poitara-whiti Netball. It was super exciting to see the talent of the leading trialists and to bring them together as a unit.

The time between trials and getting started was short so the best of the best had to be sorted quickly during the trial process. Minimal changes were made to the overall team this year. So, it was a settled team that arrived in Taranaki.

The vision was for a team that would play with speed and control, who would follow a TIPS strategy of being Truthful to themselves and the team, playing and training with Intention, making sure to be Prepared and setting their Standards high for themselves and the way we work as a team. And to also follow the values of Tauranga Netball centre though being TIKA – Tautokohia, kia whai ikeikenga, kia Rite, Akongia - being supportive, to strive for excellence, being prepared and continually learning. This team epitomised those values.

Our four preseason tournaments set up some battles for the national tournament in Taranaki. We had some wins and some losses on our way to Taranaki. We were ready.

Game one we were thrown in it straight away. We were up against Waitakere, one of the heavyweights of our age group. We took them to a tie at half time. We had to learn the hard way that a 5 point deficit was too much to pull back when the opposition don't make many mistakes. While they took the win, the game was one of the best played by our group for the whole season.

The game against Hamilton was a must win to stay in the top pools. We battled with them and had the momentum in the last quarter. This game showed we had the ticker to run them out. But time ran out. Hamilton took the win and then went on to the finals against Waitakere 1.

Our game against Rotorua was a last pitch to see who would hold bragging rights until next year. We beat them on their home turf, then they beat us on ours. This was it. We were forced to make some

tactical changes due to injury. I'm proud to say our team kept their cool when the battle got tough and we took the win.

Kapi Mana and Hawkes Bay were games that the team learned a lot from. The learning was how far could they put their body on the line when the tough really got going. Will they do more next time? As a team, we also came up against a vocal support crew in that last game. The mental game was tough in that last one.

All our coaching team and our parents are extremely proud of the performances of this team.

It has been an honour to coach the Under 16A team. I'd like to thank the TNC Board for their support both at the table and court side. Your interest in all the teams has not gone unnoticed. I'd like to thank Deb Fuller, our representative team coordinator and coach mentor. Every conversation is sprinkled with wisdom and questions to help develop us as coaches. I'd like to thank my new coaching and management friends from this season. I hope to see you all next year. I am very grateful too for the support of our sponsors this season. Thank you for your amazing contributions financially and through products as well. Thank you to Tracy for your support and the learnings shared. A team needs a great manager and so thank you to Lynn for your support, efficiencies and friendship. We had amazing parent support this year. Thank you all for your support, either through just getting the girls to the courts to scoring the games on the app. Thank you so much. And the biggest thank you goes to the team. I hope you all know how proud we are of you all. Every contribution counted, every time on court and in the van and on tiktok and snapchat. I am so proud of the way you hold yourselves and the skills you added to your kete.

Nei ra nga mihi maioha kia koutou katoa.

Rangitaukiri Ward (Head Coach)

Pre-season tournament results:

Waitakere – Sunday 19th May 2024

WIN vs Howick Pakuranga B	35 - 25
LOSS vs Waitakere A	16 - 43

Rotorua – Sunday 9th June 2024

LOSS vs Whakatane EBOP	20 - 39

Under 16B Representative Team 2024

As it was my first time coaching at a representative level at any sport I was really quite nervous and unsure what to expect.

I almost didn't make it to our first camp to meet and greet my team as I had a bad knee injury, ironically from playing netball, later down the track this injury actually made it hard for me to demonstrate certain things.

I enjoyed camp. It was similar to how I like to start training a new team which gave me a small confidence boost that maybe my coaching style is on track?

Our original goal was to finish top 2 in C grade at nationals to go up to B grade in 2025, but we had to re-evaluate a new goal as we were put up to B grade to make up numbers as a team didn't return this year - new goal was to stay in B grade!

After our second game on day two, we were guaranteed to stay in B grade for 2025. That was a relief!

After day 2, new goal was to finish nationals in 9th place. It wasn't to be - our last game was against EBOP for 11th and 12th place. We had already played EBOP 3 times over the pre season and nationals, with them winning 2 of the 3 games.

Personally, that last game was probably my biggest highlight. The girls were so motivated and really wanted to win. To their credit they pulled it off, playing some really nice netball. I felt like we won the tournament!

And when I saw some of the girls and parents crying tears of joy, that was the icing on the cake for me.

In closing, I really am grateful for the opportunity and had a mean time.

Mauriora!!

Dylan Stevens (Head Coach)

TYRRELLST Photography

Pre-Season: Had set up pre training going into the season, this was not successful as only a handful of players showed up (including 2 U18 Men Team).

Trials: The second year we have, had low numbers in trials. At this time of the season, players are engaged in other sports and take this over even coming to trials. The players that came to trials were very good and we were lucky to have them show up.

We picked 12 players and 2 non-travelling/3 training partners. After the players were selected, they were given a folder with everything that they will need for the season, we had a meeting where we wrote up our Values and expectations both from the **Players and Management**.

The non-travelling player/training partner's, this was always and has been what I have needed in case of injury. The non-travelling players we had 1 player turn up each week until she quit School Netball and then stopped playing netball all together. The other non-travelling player came a couple of times but was very injured and did not train. The Training partners were invited each week, 1 player showed up 4 times (defender) 2 weeks before we were ready to go to Dunedin, one of our shooters badly sprained her ankle and we were lucky enough to have a training Partner who was a shooter. (She Played U16a TNC team) This is why we need to have players waiting in the wings in case of injury.

In Season: This year we were very lucky to have this season S&C trainer for fitness, and having a pool session helped with recovery, Psychologist to take us through how to deal with things that may happen in a game, Paula to take us through the warmup. Our theme was Army, and we were lucky enough to have a sergeant from the NZ Army come and take a session before going to Nationals. These are a critical part of the campaign, building the skills (physical and mental) of our players and making sure they have the right skills to go into Nationals.

We also had access to a senior Women's team which we trained with and played against twice.

Fitness was very important this year. We had set out the training on a Saturday, knowing that the girls would play on a Friday night, tournament on Sundays and fitness on a Monday – this all came into fruition because we were still fit enough for the last game of the Nationals. This was great for us to measure the success of the fitness of the players but that playing and training for 4 days in a row really helped us in the campaign.

Though I would of preferred to have a court to ourselves, we trained half court with the U18 Men (having half each) the bonus for this was that we could have a game at the end of training to put all together what we had trained.

We had a lot of injuries this season but having Ang (manager) keep up to date with physio's, players and being there for each player really helped through the season.

Tournaments: were in Auckland, Rotorua, Tauranga & Hamilton. These tournaments are there for us to build our team, especially getting combinations, but more than that who can step up to the task at this level. We found some solid players when playing these tournaments and we could see that we would be able to foot it with the big teams.

Nationals: Every year our players get to travel around the country, which is at great cost to TNC and we appreciate this so much, the organizing of each campaign takes a lot. Our accommodation worked for what we were doing (playing netball), the socializing of the team's was nice to see, kai worked well, the interaction with the TNC management was great, the food that was provided was again great (Breakfast, Lunch and Dinner)

Games: We started well in the tournament but dropping even 1 game puts you in a venerable position of do or die. We fought well in all games, but when the heat went on, especially in our attack end we really struggled with our mental side.

Overview:

- Training 4 days in a row – worked well
- Having all the professional help for the players (S&C etc)
- Having a really good Manager to take all the pressure off the coaching staff
- Having an amazing team at TNC for all our needs
- Training inside was great. Was good to be able to train and increase skills
- Coming 16th at Nationals so we are still in the Top 16 in New Zealand.
- Winning Rotorua Tournament.
- Leilani trailed for Opens

The 2024 U18 men's netball campaign was a season full of challenges, growth, and unforgettable moments. From the beginning, our team motto was "BE YOURSELF," and this group truly embodied it throughout the year. Starting with just seven players at trials, we built a team of ten to take to Nationals—a mix of personalities that formed a strong brotherhood. This team reflected both diversity and unity in every sense.

Pre-season was a chance to learn and adapt, with every tournament testing us in new ways. Playing as the curtain-raiser for the Magic against our U18 wahine team was a standout moment. Sharing Saturday trainings with the wahine helped sharpen our skills and game understanding. A big thank you goes to Shelley, Ang, and Michelle, who supported us every step of the way during our season and at each Saturday training.

This season wouldn't have been the same without our incredible manager, Bex. She was the backbone of the team, supporting not just the players but also Connor and me. Her organization and encouragement kept everything running smoothly, and just brought that motherly nature to our team. Connor was also an amazing addition to the coaching team, offering fresh perspectives on players and games while helping me keep my excitement in check during those big moments!

For me, stepping into men's netball coaching for the first time was a challenge I wasn't sure how to approach. I wanted to make netball something these boys would stick with, not just a one-time experience. Watching their individual and collective growth—both in their skills and as people—was incredibly rewarding. Their ability to move seamlessly between ends of the court with focus and determination was a real highlight.

Our Nationals tournament in Dunedin was a mix of highs and lows. An early injury to one of our captains in the first game was a setback, but the team adapted, and he was able to rejoin us for the final two matches. Every player stepped up when it mattered most, and their hard work paid off in a well-earned 3rd place finish. That final game was the best netball I've seen from this team—a performance I'll always remember.

To the Tauranga U18 men's team, thank you for making this the highlight year for my coaching journey. You've taught me so much, and I'm proud of what we achieved together. Here's to continuing the journey and seeing what's next for each of you 🌍

Chloe Murray (Head Coach)

"Promoting Positive Pathways"

Women's Open Representative Team 2024

This year was no exception to another fantastic Open Champs campaign in Auckland. It has been a privilege to coach the Opens team for a third year, and I am proud that we maintained our sixth place ranking, reflecting our hard work and grit.

We retained many players from the past two years, making the transition from trials to training and games very smooth. This continuity contributed to our team's cohesion and on court connection. We also introduced an extra fitness session on Tuesday mornings, which required more commitment from our players but paid off, as our players were fit and injury free by the end of the Open Champs.

Throughout the tournament, we experienced ups and downs, but we stayed positive and resilient. Our team talks and reflections were thorough, providing valuable insights, but transferring what we worked on in training to the games proved challenging at times.

Our captains, Hayley and Amy, went above and beyond their roles, working hard behind the scenes to keep us connected and committed. I appreciate their dedication throughout the campaign; we were lucky to have them steering the team and inspiring everyone to give their best. I would also like to thank Kyra Ormsby, our manager, for her outstanding organisational skills, positive attitude, and unwavering support. Her ability to keep everything running smoothly made a significant difference in our experience.

Congratulations to my team for placing sixth once again. This achievement is a testament to our collective effort and perseverance. I love this competition because it's about more than netball, it's about building friendships and fostering connections off the court. This team embodies the belief that "good people make better netball players." Beyond competition, it creates a supportive environment where players can connect, grow, and celebrate netball together. I look forward to building on this experience for the Open Champs in Christchurch in 2025 and continuing to grow as a team.

Helena Hoult (Head Coach)

ways"

Men's Open Representative Team 2024

What an awesome experience Coaching this men's team, and we finished 3 in our grade at Nationals.

Trials were in June, we didn't have many show up (Over 20 registered), 16 attended. Maybe this was because, this was the first time TNC Netball Center has ever had a Men's team going to Nationals. We called the Men's team the "Legacy Team" being the first.

The Men that showed up were at different levels of playing, some had played for years, some for months and some were coming back into the Game being away for years. We didn't have enough players that were at a very high level and training had to be dedicated to fitness, foundational skills and it was really hard to get them all to the same level, but with saying that we had a really good team spirit and trainings were fun, engaging, and everyone contributed to training and any conversation.

As a coaching Management team we assumed that all the Men would come to play for TNC, but on discovering that in the Men's and mixed association (MMNA) that it doesn't matter where you play (Region), you are allowed to go and play for other provinces, which I had not seen coming.

We named a squad 16, which was good for us, as a couple of players pulled out, one couldn't commit to Nationals and we had a few injured. We ended having 13 players left.

When the team was named, we decided to take the whole 13 players, making one of them the assistant assistant manager, as he was keen to be a part of it even if he wasn't named in the Playing team.

Training venue was really good for us, gave us an opportunity to use the whole court some times and then also playing the U20 Men's at the end of training but at the beginning was great as they beat us, and the Men's team could see what work they needed to put in to organized training but also what they have to do individually to help prepare them for Nationals.

One thing which was really good was that we had a player who had recently moved to Australia, and we got compensation for him to play which meant he was able to return to NZ and play. His knowledge of the game was amazing and helped the young players at Tournament.

We didn't have any preseason games organized for the men, but we were able to get some game time playing against the TNC Women's Open team. In future we need to have games organized so we can work on court craft, court fitness and combinations.

We had a room at the Baypark for the Nationals which worked out well for the Men's team, but we also invited the U20 Men's team to join us. This was organized by Ray (assistant assistant manager).

We also made Tee-shirts for the Players so they could all look the same, as it was rather hot over Nationals and these worked out well.

Shelley Norris (Head Coach)

Mens Nationals – Tauranga 18th September – 21st September 2024

Unfortunately, results were not recorded for this tournament.

Final Result: Finished 3rd in Reserve 2 Grade

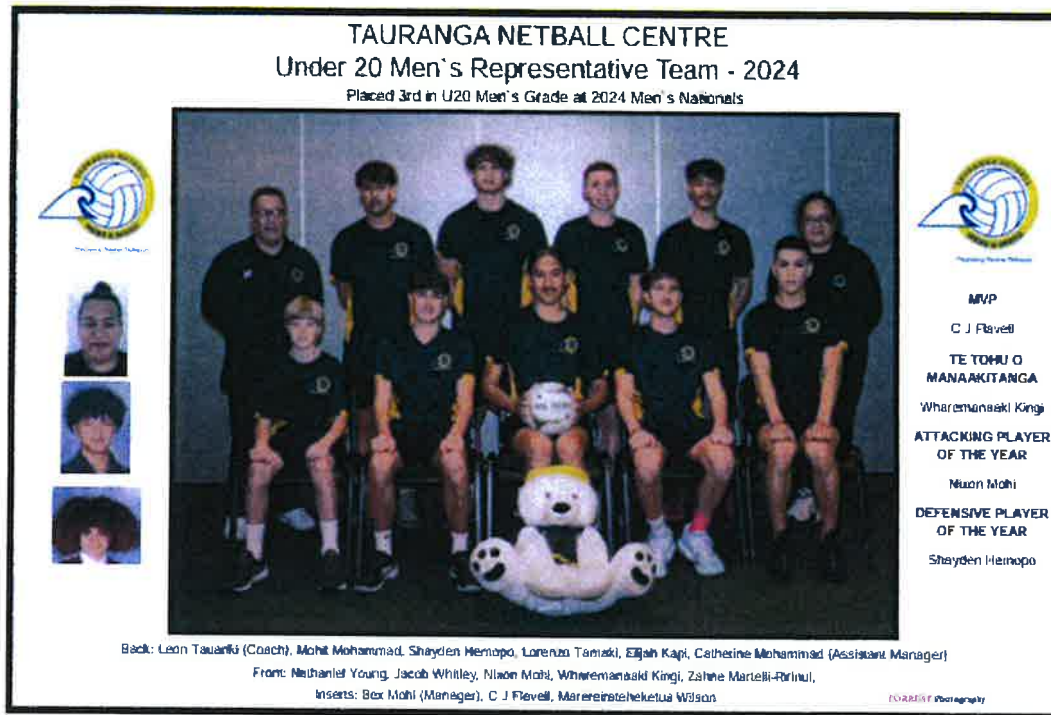

At our end of season prize giving these players were awarded the following medals:

MVP	Keni Kingi
Te Tohu O Manaakitanga	Matt Woodhams
Attacking Player of the Year	Ciaran Bell
Defensive Player of the Year	Jacob Kay

thways"

Men's U20 Representative Team 2024

It was a privilege to step in as coach for this team at the last minute and work with a dedicated group of young men, some of whom were seasoned players while others were new to the sport. Despite these varying levels of experience, the boys quickly came together, building strong team connections that helped us reach our goals.

We held regular training sessions that focused on different areas of the game, which we then shaped into a solid game plan. The 12 boys demonstrated commitment and discipline both on and off the court, forming a foundation for a positive team culture. Our first appearance at the Men's Nationals was made even more special by having the tournament held right here in Tauranga Moana, giving our players the chance to see and compete alongside some of the top players in the country.

The team's hard work paid off, and I'm proud to say that we finished 3rd in our grade. Competing against teams with well-known players in the New Zealand men's netball scene, our first-time team showed the strength and potential of Tauranga at a national level.

Looking ahead, I'm excited about the future of mens netball within our region and we plan to aim higher for the 2025 season. I can't wait to see what this team will accomplish as we continue to represent Tauranga with pride in the future.

I would like to thank our awesome Manager (Bex Mohi) your hard work behind the scenes and attention to every detail didn't go unnoticed. It allowed our players to focus fully on the game, knowing they were in great hands. We couldn't have had the tournament experience we did without all your hard mahi, and I can't thank you enough for everything you've done.

Lastly, I would like to make a special mention by acknowledging and thanking our Tauranga Netball Centre Board, Tauranga Netball Centre Management for standing behind us and making this experience a reality for mens netball within our region. We look forward to future opportunities to make you proud.

Leon Tauriki (Head Coach)

Defensive Player of the Year

Shayden Hemopo

Mixed Open Representative Team 2024

The Tauranga Mixed Netball team embarked on a remarkable journey as they prepared for their debut at the national mixed netball tournament. With the decision to participate made at the last minute, the team faced the challenge of coming together quickly to ensure they could perform at their best on a national stage. Our goal was clear: to excel not only in the tournament but in everything leading up to it, including each training session, preparation effort, and game plan execution.

We (as a team) began by focusing on building effective combinations on the court. Given that players came from various backgrounds and experience levels, our initial trainings emphasised understanding each other's strengths and playing styles. Position rotations during these sessions helped us identify which combinations worked best for attacking, defending, and transitioning between plays. This practice allowed the team to recognise who played well together and where adjustments could maximise our effectiveness as a collective. Communication and trust-building exercises were also essential parts of our training, as these factors proved crucial for quick decision-making on the court.

As we approached nationals, our training sessions intensified, refining specific skills and strategies. We also worked on defensive setups to strengthen our ability to counter fast breaks and practiced offensive plays to exploit spaces effectively. Players became more comfortable with each other's movements, making passes smoother and defensive switches faster. Through regular feedback and self-assessment, we kept refining our approach, making sure each player knew their role and how to support others in different scenarios.

Finally, at the tournament, the hard work paid off. Every game was approached with the same intensity and commitment as per our trainings, as players put their practiced skills and combinations into action. Despite being new to nationals, our preparation and team cohesion helped us rise to the occasion, and we played with confidence and unity. By consistently pushing ourselves to work together and adapt under pressure, we achieved our goal of performing well at each stage, showing resilience and determination both as individuals and as a team.

I can't wait to see what 2025 brings not only for Nationals but for our Tauranga Region.

I would like to personally thank (Tracy, Tania, Paula - TNC Management) for your contribution to ensuring we were well looked after in every aspect both pre-post tournament

Leon Tavariki (Head Coach)

FORREST Photography

These are our umpires who officiated **games at our** Nationals campaigns during our Representative Season 2024. All of their accomplishments are outlined in Maree Body's report. Missing from the photo is Connor Pascoe who attended Opens Nationals with our Open Women's team and Finny Davis who attended Men's Nationals with our U20 Men's team as they had not yet been selected to officiate at those tournaments, and Keni Kingi as a photo was not supplied. THANK YOU UMPIRES – WITHOUT YOU THERE IS NO GAME!

Tauranga Netball Centre would like to acknowledge the fantastic support we received from Pub Charity and One Foundation to help us send 10 teams to National and Championship Competitions in 2024. Without their contribution it would have been extremely hard for some athletes to experience these opportunities and we are deeply humbled by the support. Thank you Pub Charity and One Foundation!

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TAURANGA NETBALL CENTRE INCORPORATED

Qualified Opinion

We have audited the financial statements of Tauranga Netball Centre Incorporated ("the Incorporation"), which comprise the statement of financial position as at 30 September 2024 and the statement of financial performance for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying special purpose financial statements of the Incorporation for the year ended 30 September 2024 are prepared, in all material respects, in accordance with the accounting policies specified in Note 1 to the financial statements.

Basis for Qualified Opinion

Control over cash-based revenue streams

Included in the statement of profit or loss for the year ended 30 September 2024 is revenue from canteen sales of \$163,048. Controls over certain cash-based revenue streams prior to being recorded is limited. Consequently, there were no practical audit procedures we could perform to confirm independently that all cash revenue items were properly recorded. Accordingly, we were unable to determine whether any adjustments should be made to the reported amounts for this revenue stream.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) ("ISAs (NZ)"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Incorporation in accordance with Professional and Ethical Standard 1 (Revised) *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Incorporation.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Use

We draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements are prepared solely for the Incorporation's members, as a body. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Incorporation and the Incorporation's members, as a body, and should not be distributed to or used by parties other than the Incorporation or the Incorporation's members. Our opinion is not modified in respect of this matter.

PARTNERS: Fraser Lellman CA Janine Hellyer CA Paul Manning CA Donna Taylor CA Linda Finlay CA Michael Lim CA

BDO New Zealand Ltd, a New Zealand limited company, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms. BDO New Zealand is a national association of independent member firms which operate as separate legal entities.

Board members' Responsibilities for the Financial Statements

The board are responsible for the preparation of the financial statements in accordance with the accounting policies specified in Note 1 to the financial statements and for such internal control as the board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the board are responsible for assessing the Incorporation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the board either intend to liquidate the Incorporation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (NZ), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Incorporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the board and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Incorporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Incorporation to cease to continue as a going concern.

We communicate with the board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Who we Report to

This report is made solely to the Incorporation's members, as a body. Our audit work has been undertaken so that we might state those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Incorporation and the Incorporation's members, as a body, for our audit work, for this report or for the opinions we have formed.
